If you have a pop-up blocker, disable it or override it by holding the **Ctrl** button when you click the above link.

Printing tips:

You might find adjusting the page setup on your computer (changing the margins, header/footer, landscape/portrait orientation) will give you a better printout for some puzzles.

OR, you can go back and change your puzzle settings to change the grid size, font size, or reposition the word list to the right or bottom of the puzzle.
