

# RESPECT

Treating others with honor and dignity

I will value other people  
And I never will forget  
That even though we're different  
I can still show you respect  
I will always use good manner  
I'll be careful what I say  
I will treat other with dignity  
And how I live each day  
My character is what will make  
a leader out of me  
So next time through  
let's say it more enthusiastically
